Dear Mr. Chavarria,

The County of Sierra is interested in applying for the LGRF Hardship Match Waiver per the NM Administrative Code 18 NMAC 27.3.8 for our pending funding through the *FY 23/24* LGRF program.

NMAC 27.3.8 allows Public Entities who are experiencing financial hardship to apply for a Match Waiver of all or part of the Public Entity match normally required for participation in the Local Government Road Fund.

County of Sierra qualifies for the Match Waiver because of limited revenues and increased expenses.

County of Sierra requests a Match Waiver in the amount of \$53,301.00 for the LGRF Project for year 2023 – 2024 to re-chip seal, fog seal, pothole and shoulder repair, engineering & project management, cattleguard, drainage improvements, and road surface work on various County roads to improve surface conditions. C054 Rock canyon from I25 (1 mi off of exit 89) E approx. 3.8 mi, and C003 Hermosa from C002 S approx. 16.1 mi, within the control of the County of Sierra in Truth or Consequences, New Mexico.
